Dear Sir:-

This will introduce to you our Supt., Mr. Chas. D. Reeve. Will you kindly allow him to inspect the coining presses and other machinery in the Mint, as we wish him to be familiar with the whole subject of coining, and we would also like him to take a memoranda as to the speed and position of your shafting for driving this press and others of the same kind if you should decide to purchase them? He will also select the pieces of copper we mention in the accompanying letter, for testing the large press on Friday next.

yours very truly,

Ferracute Machine Co.,
